Novartis Animal Health researches, develops and commercializes leading animal treatments that meet the needs of pet owners, farmers and veterinarians. Headquartered in Basel, Switzerland, Novartis Animal Health conducts business in 40 countries and employs about 2,600 people worldwide. For more information, please consult www.ah.novartis.com

They are sponsoring two grants at \$1,000 each to be distributed nationally.

Organic Valley/Organic Pride is America's largest cooperative of organic farmers. Organized in 1988, it represents 1,332 farmers in 32 states. Focused on its founding mission of saving family farms through organic farming, the farmer-owned cooperative produces a variety of organic foods, including organic dairy, eggs, meats, produce, soy and juice.

They are sponsoring one grant at \$1,000 to be distributed nationally; however the SAE must specify "organic production methods."

Diversified Crop Production

Crop Production Services is committed to being the leading provider of agricultural inputs (fertilizer, chemical, seed, and services) in each of our markets. We will attract and retain outstanding employees by motivating and rewarding them for their accomplishments in providing exceptional service to our valued customers.

They are sponsoring multiple \$1,000 grants to be distributed nationally

We will attract and retain outstanding employees by motivating and rewarding them for their accomplishments in providing exceptional service to our valued customers.

They are sponsoring multiple \$1,000 grants to be distributed nationally.

Triscuit – Baked today in a single bakery in Naperville, Illinois, Triscuit crackers have been made with Soft White Winter Wheat since 1903. We've depended on farmers to deliver quality wheat over the past century and sustainable agricultural practices will help us continue baking delicious Triscuit crackers for consumers to enjoy in the years ahead. That's why we support sustainable farming projects. Beginning this year, Triscuit is proud to sponsor grants supporting the development of sustainable agricultural methods used to produce the grains that feed America.

Triscuit is sponsoring ten grants at \$1,000 available to members nationwide in the area of cereal grains including wheat, barley, millet, buckwheat, and, rice and rye. Grants will be awarded to FFA members who have improving sustainability as at least one of the primary goals of the enterprise.

Poultry Production

Chore-Time Brock is sponsoring two grants at \$1,000 each to be distributed to members in the Midwest and South.
