## Participating Dealers - AGCO

Helping future generations and investing in the future of agriculture have always been a focus of the partnership between AGCO companies and the National FFA Organization during the last 66 years.

This year, AGCO is partnering with more than 50 Massey Ferguson and Challenger dealers across North America with a great scholarship program. More than \$115,000 in new local scholarships will be awarded to support FFA members in their efforts to earn post-secondary educations.
