Participating Dealers – Chevy Trucks

For over a century, Chevrolet has been a passionate believer in the power of ingenuity and innovation in our quest to find new roads. Chevrolet and its dealers are proud participate in the FFA collegiate scholarship program in support of our long-standing relation with the National FFA.

Chevrolet has supported the National FFA Organization for over 65 years based on the historic connection between traditional agriculture and Chevy Trucks. In 2016 Chevy announced its participation in the FFA scholarship program. Below are the 2016/17 Participating dealers.
