Participating Dealers – John Deere

For more than 70 years, John Deere has invested in the future of agriculture by partnering with the National FFA Organization.

John Deere dealers across the country are offering more than \$150,000 in new local scholarships that will be awarded to support FFA members in their efforts to earn post-secondary educations. Check out participating dealers below, and check back through February as we add dealers to the list.

Don't see your local John Deere Dealer on the list? Contact them and ask them to participate.
