FFA MISSION

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

THE AGRICULTURAL EDUCATION MISSION

Agricultural education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control, or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.

FFA Alumni Lifetime Membership

Did you know?

Alumni lifetime membership is a true investment. One hundred percent of your dues goes directly into an investment account. Five to seven percent of the interest earned from that account is then used annually to operate and support the association. You are truly making an investment that makes a positive difference in the lives of students. You also help ensure the development of students' potential for premiere leadership, personal growth and career success while ensuring the long term success and future growth of FFA.

ONE-TIME COST

\$160 + state dues

(includes \$10 processing fee)
