2016 Ag Sales Information

Company information

You work for A John Deere Dealership called Knight Farm Equipment. You are a source for new and used farm equipment, sprayers, and lawn care equipment.

We are proud to be a family owned business that takes pride in the products and the services we provide, and our involvement in local communities. We have grown from one store in 1974 up to 8 stores throughout the area. We strive to provide the highest level of customer service, along with large inventories of new and used equipment. With an experienced parts staff and factory trained technicians, we are equipped to offer you the best in after-sales support. Our main focus is to understand your needs and assist you in solving your operational problems, whether that may be agriculture, professional landscaping or your own residential landscape maintenance. We look forward to continued relationships with current customers and are excited about the possibilities of partnering with new customers.
