Working with Elementary Aged Students

Created: 09/2016 by the National FFA Organization

This document serves as a guideline to assist advisors in planning, implementing and participating in events that work with elementary-aged students. Standards for working with elementary-aged students are suggested standards based on the projected central theme, objectives, content and activities of the main events. While every standard listed may not be covered during each experience of working with elementary-aged students, these lists should serve as a guideline to validate and actualize educational relevancy for working with elementary-aged students.

OVERALL STUDENT LEARNING OBJECTIVES:
After completing these activities, students will...
1. Expand agriculture programs and agricultural literacy.
2. Amplify the "whole person" concept of education, focusing on a student’s leadership, personal and interpersonal skills.
3. Provide leadership and cultivate strong partnerships in schools across all programs and subject areas.

PROGRAM OBJECTIVES
1. Expand agricultural programs and agricultural literacy.
2. Amplify the "whole person" concept of education, focusing on a student’s leadership, personal and interpersonal skills.
3. Provide leadership and cultivate strong partnerships in schools across all programs and subject areas.

THESE ACTIVITIES ARE ALIGNED TO THE FOLLOWING STANDARDS:
